

The ACS Green IT Special Interest Group (SIG), chaired by Phillip Nyssen, ACS Qld Board Member, started in Brisbane this year. Its role is to drive IT industry awareness, knowledge and adoption in response to climate change and carbon accounting.

The objectives of the Green IT SIG and opportunities for you include:

	Objectives	Opportunities
Awareness	<ul style="list-style-type: none"> ▪ Lobby industry \ government policy ▪ Accessible, real information ▪ Industry collaboration 	<ul style="list-style-type: none"> ▪ Sponsorship ▪ Professional collateral ▪ Partnering
Knowledge	<ul style="list-style-type: none"> ▪ Focus groups ▪ Up to date information ▪ Solutions 	<ul style="list-style-type: none"> ▪ Focus groups ▪ Access to company experts ▪ Peer reviewers for knowledge base
Adoption	<ul style="list-style-type: none"> ▪ Champion empowerment ▪ Best practices ▪ Innovative solutions 	<ul style="list-style-type: none"> ▪ Case studies ▪ Industry insights ▪ Lobby government

The work will be supported by the Green IT Taskforce, chaired by Dr Paul Campbell Executive Officer, ICT Industry Workgroup. Its members are comprised of senior managers from the Queensland Government, Brisbane City Council and the IT industry.

The Green IT SIG and Taskforce will work together as described below:
